Say “Yes” to Life: Support the Pence Amendment to Defund Planned Parenthood

Congressman Mike Pence (IN-6) has been a strong advocate for Pro-Life legislation and his voting record demonstrates this commitment to life. Conservatives now have an opportunity to tell Washington that Americans say “yes” to life. Congressman Pence has introduced an Amendment, [H.R. 217](#), to eliminate federal funding for abortion and cut funding for organizations that support and/or fund abortions.

Last November, Americans sent a clear message to Washington that “business as usual” and liberal principles are not what we want. Hold your Congressman accountable to the conservative principles that make this country great and remind him/her to support a platform that values and respects life.
